POLISH SHIP AFLAME—The Polish freighter Polanica burns in the Delaware River as it is towed into the channel to lessen the danger to Philadelphia piers. The ship caught fire as it was being unloaded.

Shipping Strike Talks Speeded

Parleys Continue On Hopeful Note

NEW YORK (AP)—Negotiations in the national maritime strike speeded up today on the most hopeful note since the tieup started two weeks ago.

President Kennedy's fact-finding board reported "very good progress" in talks with shipping company representatives and the National Maritime Union, largest of the five unions on strike.

Board chairman David L. Cole said he hoped to have "good news" to announce at a news conference set for midday.

Cole said some items remained to be settled in the contract dispute between the NMU and the American Merchant Marine Institute, the major industry negotiating group. "But I am not concerned," he added.

Some employer sources said they were certain that agreement between the NMU and the Institute would pave the way for quick general agreement between the ship companies and the other striking unions.

According to one unofficial report, a major segment of the industry has agreed tentatively on a 15 per cent increase in wages and benefits. The tentative terms were reported also to include a plan to leave the issue of American-owned ships flying foreign flags—the so-called "run-away ships"—for a study by the federal government.

Union reaction to the reported terms was uncertain.

On the basis of an optimistic report by the fact-finding board Thursday, President Kennedy Thursday night extended the deadline for the board to report to him on whether the strike of 85,000 officers and crewmen endangers the nation's security. The deadline was extended from today until next Monday morning.

Biennial Sessions Rejected by IBOP

A resolution calling for biennial conventions rather than annual meetings as at present, was voted down today as the International Brotherhood of Operative Potters moved into the home stretch in its 67th meeting at Miami Beach, Fla.

It was the second time in recent years the delegates have rejected a proposal to hold conventions only once in two years. The delegates also turned down a resolution that would have raised strike benefits from \$25 to \$35 weekly.

The delegates chose San Francisco as the site of the 1962 meeting.

Twelve new international offices were installed today for four year terms starting Aug. 1. They were elected in May, headed by E. L. Wheatley of East Liverpool, who is starting a new four-year term as president.

Leaks of Pentagon Data Investigated

WASHINGTON (AP) — The FBI is investigating the leaking of secrets at the Pentagon, the White House says.

News Secretary Pierre Salinger announced the investigation on Thursday night but declined to discuss its nature or what set it off. He said only: "There is an FBI investigation today of leaking of secrets at the Pentagon."

But the Chicago Sun-Times in a dispatch from Washington said President Kennedy ordered the FBI and military intelligence agencies to find out how a national publication got secret information on military plans for Berlin.

The Sun-Times story by Thomas B. Ross said: "Mr. Kennedy was appalled at reading about the Joint Chiefs of Staff's contingency plan for the Berlin crisis in a national publication before it reached him in the White House. 'He immediately directed the FBI and the military intelligence agencies to find out how the highly classified information had leaked to the press.'"

The Sun-Times added: "The published report on the joint chiefs' contingency plan contained enough accuracy to persuade Mr. Kennedy that it was wilfully disclosed by a high official in the Pentagon."

The Sun-Times dispatch did not identify the national publication but it apparently was a reference to a Newsweek magazine edition which went on sale Monday.

Newsweek said the Joint Chiefs

Two Are Hurt In Crash At Intersection

Two persons were injured in a two-car mishap that was one of two accidents that occurred on area highways Thursday, the Patrol reported.

Mary A. Thomas, 62, of Newton Falls received contusions of the thigh and shoulder when the auto she was driving collided with a vehicle operated by William Ross, 66, of 161 E. 3rd St. at 2:30 p.m. at the intersection of Rts. 62 and 165 north of Salem.

The Thomas auto, stopped at the intersection, pulled into the path of the Ross car and was struck in the side.

Injured in the Ross auto was Alta Grady, 47, of 318 S. Union Ave., a passenger, who sustained bruises of the knee.

Both injured persons were to be treated by their own physicians, the Patrol disclosed.

The Patrol cited Mrs. Thomas for failure to yield the right of way.

Autos operated by Richard V. Spencer, 19, of RD 5, Salem, and Evan Plyler, 64, of Crestline collided at 9:35 on Rt. 165, four miles northeast of Salem.

Spencer going west on 165, stopped on the road and then backed into the Plyler vehicle which was also stopped behind him.

Spencer was cited for improper backing by the Patrol.

Legion Band To Seek Ohio Laurels Again

The American Legion Quaker City Band of Charles H. Carey Post is making final preparations to compete in the band contest at the Ohio Legion Convention in Cincinnati July 21 and 22.

The band was the state winner from 1953 to 1958, and did not enter competition the last two years. They participated in three parades here this year, including the Memorial day parade, the United Commercial Travelers safety parade, and the Salem Merchants Association "old fashioned" day parade.

The Legion band-once national Legion champions—is composed of 60 members from Salem and surrounding communities who donate their time and talents. Tom Williams of Salem is serving as musical director and drum major.

Competition at the state contest will include military inspection of personnel and equipment, five minutes of marching, maneuvering and playing on a standard size football field, and playing the band's choice of one of six required musical selections.

No organized financial drive is planned to cover the expenses of this trip, but any volunteer support will greatly aid in the expenses involved, as the individual members will furnish their own meals, transportation and uniform upkeep.

Plans for the state contest are being made by the officers, Chester Kridler, band manager; George Hanson, president; Dan Holloway, vice president; Al Sanders, secretary-treasurer; and Glen Jackson, Robert Hodge and Joe Swetey, committeemen.

The officers ask that any uniforms or equipment held by inactive members be turned in as soon as possible. The band will supplement its regular Monday night rehearsals by holding field drill practice at the Salem Senior High School drill field.

Kuwait Reinforces Border With Iraq

KUWAIT (AP)—Armored reinforcements moved up to Kuwait's ill-defined northern border with Iraq today to face Iraqi armor reported here at two brigades.

British-built armored cars with Kuwaiti crews rolled through the capital 30 miles from the border during the predawn hours. The border so far has been reported quiet, but officials said Iraqi forces had been strengthened along the frontier since Iraqi Premier Abdel Karim Kassem last week laid claim to the oil-rich sheikdom on the Persian Gulf after Britain gave it independence.

The city of Kuwait itself was quiet. Authorities have called a mass demonstration Saturday to show defiance to the Iraqi challenge.

Warns of Attack (State Department sources in Washington said the department had warned Britain and other nations involved that sources which "could not be ignored" had reported possibility of an Iraqi attack on Kuwait this weekend).

Kuwait has an army of only 2,400 men and the Iraqi army, at last report, numbered about 70,000.

But Britain is pledged by treaty to go to Kuwait's aid if asked. British troops at Bahrain, another oil center 270 miles down the Persian Gulf, are reported being strengthened. The aircraft carrier Bulwark is steaming from Karachi to the Persian Gulf with 600 royal marine commandos. The carrier Victorious and two frigates in the Far East are moving toward Singapore, reportedly being bound for the new crisis point.

Saudi Arabia, Kuwait's — and Iraq's — neighbor to the south, also has promised to help defend Kuwait if the little sheikdom is attacked.

Sentiment Favors Kuwait

The other members of the 10-nation Arab League have confined themselves mainly to cautious expressions of hope that nothing will happen to disturb the Arab unity. But the trend of sentiment among Arab officials outside Iraq was overwhelmingly behind Kuwait and its ruler, Sheikh Abdullah As-Salim As-Sabah.

Kuwait's deputy ruler, Sheikh Abdullah Mubarak, conferred in Beirut with Arab League Secretary-General Abdel Khalek Hassouna on the crisis. No information on the conference was forthcoming, but there has been talk of a special meeting of the league to approve Kuwait's application for membership as a means of showing Arab opposition to Kassem's claim. Hassouna also has

Housing Bill To Aid Millions

Mortgage Term Extended 10 Years

WASHINGTON (AP) — Administration officials estimated today that the new housing bill could make 3 million moderate income families eligible to buy their own homes.

Other millions may find better housing in moderate rental apartments under the bill's new programs.

These tentative estimates came as the housing and home finance agency took a close look at the \$5,646,000,000 measure sent to President Kennedy Wednesday.

In his March housing message to Congress, Kennedy said, in effect, that the housing needs of upper bracket families had been met in the post World War II boom—mostly in new suburban developments.

Government housing officials have emphasized the legislation will be administered with this in mind.

The chief provision which will make more families eligible to buy homes is the extension of the mortgage term from 30 years to a maximum of 40 years under the moderate income family section.

FHA figures this will cut the monthly payment on a \$15,000 house—the most expensive the agency will insure under the new program—from \$82.95 to \$74.85.

The stretch-out also would increase the total interest the home buyer would pay. It is this reduction in monthly payments which brought the rough estimates of eligibility under FHA income rules for 3 million more families.

The bill would give the moderate income family a 35-year mortgage as a matter of right. The term could be lengthened to 40 years if the FHA commissioner felt the buyer's income was inadequate to make the payments under a 35-year loan.

The down payment on a \$15,000 house would be \$450. Closing costs could be included in the loan.

The sponsors think several million more families may be able to afford apartments that could be built with a subsidized 3 1/2 per cent interest rate and government money under the moderate income program.

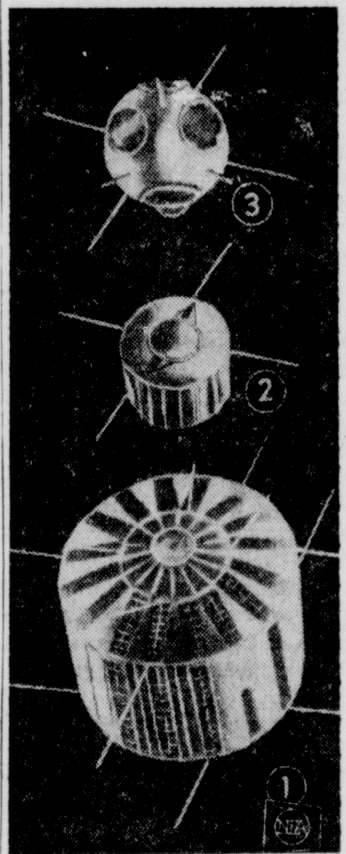

The individual home buyer above the \$6,000 level also will get easier terms on FHA loans under the general insurance program.

He could obtain a 35-year mortgage, as compared with the present 30-year ceiling, and get an insured loan on a \$25,000 home as against the present \$22,500 top.

Chrysler, UAW Open Wage Talks

DETROIT (AP) — Chrysler Corp., the only one of the big three automakers in the red this year, sits down today with the United Auto Workers to begin bargaining on new wage contracts which the union says must break new ground and develop new concepts.

The UAW already has put Chrysler on notice it will not listen to a plea of poverty and will expect Chrysler to meet terms of contracts it is negotiating simultaneously with General Motors Corp. and Ford Motor Co., others of the big three.

Chrysler lost \$21.9 million in this year's first quarter and some financial sources estimate it also lost money in the second quarter ending today. The UAW argues the wage contract is not to blame, since Ford, GM and American Motors rolled up profits with similar ones.

John D. Leary, Chrysler vice president for industrial relations, said in a statement: "The outcome of these negotiations is important not only for the future well-being of Chrysler, but also will have a direct bearing on the future well-being of its employees, its customers, its shareholders, its dealers and its suppliers."

UAW President Walter P. Reuther, who led the union's bargaining team at Chrysler as he had in openings on successive days at General Motors and Ford, declared at Ford Thursday that "new ground will have to be broken and new concepts developed" in contract settlements this summer.

Rusk Says Talks Planned on Berlin

WASHINGTON (AP) — The United States may increase its military forces in Europe to strengthen NATO defenses in preparation for a possible showdown with the Soviet Union later this year over Red threats to West Berlin.

Such a move is understood to be one of the measures being studied by Kennedy administration

policy makers for dealing with the Berlin crisis.

President Kennedy met with the National Security Council for two hours and 40 minutes late Thursday to discuss steps that may be taken.

Discussions Kept Secret The White House kept the discussions secret, and, the news secretary, Pierre Salinger, declined even to say which officials attended.

It was not disclosed when final decisions may be made and action initiated. It is known, however, that top officials believe some redeployment of U.S. forces may be necessary because of the threat posed by Soviet Premier Khrushchev to the position of the Western powers in West Berlin.

Secretary of State Dean Rusk, speaking in a television interview Thursday night, said one thing which is necessary in the developing crisis is to try to avoid any "miscalculation"—by the Soviet Union—of what the Western Allies will do if and when their vital interests are threatened.

Rusk predicted that a number of steps will be taken "aimed at the avoidance of this kind of miscalculation." He did not make any reference to military measures but said there would be "points of clarification, of purpose and procedure and issue."

Include Military Measures The range of possible steps under consideration by the President and his chief advisers, including Rusk and Secretary of Defense Robert S. McNamara, is known to include military measures.

The United States is understood to have been urging its NATO allies to increase their own military strength in Europe so that if a showdown with the Soviet Union develops and a conflict threatens it may be dealt with, at least at the very outset, by nonnuclear means. Kennedy administration officials were cheered by the recent decision of French President Charles de Gaulle to shift a division of French troops from Algeria back to France.

The United States itself has five divisions in Europe out of its total of 14 now in active service. Altogether, U.S. troop strength in Europe totals 250,000 men, but this includes a large number of service and supply troops.

Rusk stressed in his discussion of the Berlin situation Thursday night that the United States intends "to explore every possibility of working out a tolerable peace that is consistent with the vital interests of our country." He said it is important to avoid running into a "dead end" in dealing with the Soviet Union on the Berlin dispute.

Negotiations Planned There is no doubt, Rusk said, that there will be discussions between the Western powers and the Soviet Union about Berlin, though he would not predict what form negotiations for a settlement might take. That will be determined in the course of discussion, he indicated.

Khrushchev has proposed to make West Berlin what he calls a "free city" with the withdrawal of U.S., British and French forces and the establishment of some kind of international guarantee.

Plains Face New Menace

Grasshoppers Hit Stricken States

By The Associated Press

Massive grasshopper invasions today posed an added threat to the northern Great Plains, already in the grip of a devastating drought which has brought scores of counties under federal disaster programs.

The new menace came as temperatures again in the 90s continued to sear vast acreages in five states and three Canadian provinces.

Unseasonable summer fires on the usually verdant prairie and in wooded country at its northern fringes still were casting heavy smoke palls.

From Helena, Mont., came federal and state reports that grasshoppers have infested an estimated million acres in Montana, plus other large Wyoming areas.

At Williston in northwestern North Dakota, firefighters said a "dark wall" of large hoppers skimmed ahead of a prairie blaze which roared across 5,000 acres late Thursday before burning itself out at the banks of the Little Missouri River.

Firemen from five towns, aided by 1,000 volunteer farmers and oil workers kept the fire from invading inhabited territory.

The blaze raged as the final two of North Dakota's 53 counties were declared disaster country. "This is very serious because it's the Great Plains breadbasket that's going," said Norris Ellertson, regional director for Agricultural Stabilization and Conservation.

After a personal survey and reports from field men, Ellertson

Ohio School Bill Set for Vote

COLUMBUS, Ohio (AP) — The school subsidy bill—a partnership pact between the legislature and the public schools for which it has final responsibility—was scheduled for a floor vote in the House today.

But it was considered doubtful that representatives would act on the measure before both houses adjourned for a four-day rest from legislative labors. They'll return Wednesday and try to wind up working sessions before the end of next week.

The bill amounts to \$466,825,000, reflecting ever-increasing enroll-

ments. The foundation program is designed to provide at least a minimum-standard education in every public school system in the state, and to give financial help in operating these systems.

The 1959 legislature appropriated \$413,150,000.

Senate action was scheduled on a House-approved bill to help county governments meet modern problems. Permissive in nature, it provides means for voters to approve a system of countywide departments, a county executive officer and other steps which could be taken by a policy-making board of county commissioners.

Senate Majority Leader C. Stanley Mechem, R-Athens, was to name three senators to meet with three members of the House in an attempt to iron out Senate-House differences on the \$2 billion state government operating funds bill.

House Speaker Roger Cloud, R-Logan, appointed his three during a skeleton session in that chamber Thursday night. They are Reps. Ralph E. Fisher, R-Wayne; Elton Lehr, R-Sandusky, and G. D. Tablack, D-Mahoning.

Fisher is chairman of the House Finance Committee, and the other two are members.

The stage was set for the conference committee when the House refused to approve cuts of nearly \$17 million made in the appropriations bill by the Senate. The Senate, in turn, insisted on its changes. The House already had trimmed about \$26 million.

The Senate passed eight bills Thursday which already had House approval. They are designed to:

Allow a 100 per cent increase—from \$150 to \$300—in the maximum amount a board of education may pay in annual dues to the State School Boards' Association.

Increase the number of trustees of county TB hospitals from three to five, to insure a quorum to conduct business.

Wipe out some railroad laws that are out of date or superseded by federal regulations.

Discourage frivolous requests for vote recounts by limiting the time when such a request may be made and demanding good reason.

Do away with a complicated formula for holding back funds by boards of education to assure faithful performance of contracts by those supplying labor or material of making sure obligations are met.

Require county commissioners to provide necessary materials and a current set of Ohio laws for each county court judge.

Specifically state that government offices can enter into contract with private firms to develop films, because an attorney general's ruling said nothing in the law permits it.

Bring punishment for breaking wildlife laws into line with that for other relatively minor offenses (for instance, crediting each day served in jail as \$3 off the fine, standard rate of redemption in Ohio, instead of \$1 as it is in the wildlife laws).

The House refused to accept Senate changes in a bill detailing nine areas of sales tax exemption, bringing the need for another conference committee. And representatives defeated for the second time a bill requiring slow-moving farm vehicles to use red flasher lights on highways during the day.

The House passed and sent to the Senate a bill allowing Ohioans younger than 18 and military personnel on leave to fish without buying the \$2 license. Ohioans 65 or over, and not drawing old age pensions, could buy licenses for 25 cents.

Old age pensioners need no license.

Members of the House also went along with Senate - okayed bills to:

Clarify the law on nurses in public schools.

Allow sheriffs and deputies to be bail bond officers in relatively minor offenses, so that no additional personnel need be kept on duty throughout the night.

Require that political advertising in various forms carry the name of the person responsible for it.

STRUCTURE SEEKER—Although only 18 years old, Donald Weigel of Mineola, N. Y., built this cyclotron in his basement. Physicists doubted that a cyclotron, which imparts information about the nuclear structure of atoms, could be built by a high school student—but it only took Donald about a year to complete the machine.

Says He Only Arranged Transportation

Eichmann Again Disclaims Responsibility for Slaughter

JERUSALEM, Israel (AP)—Adolf Eichmann said today he was the man called in when the Nazis needed transportation to ship Jews out of Holland and Denmark to the death camps. But the former SS officer refused once more to accept any further responsibility for the mass slaughter.

Defense counsel Robert Servatius explored the Dutch and Danish ordeal under Nazi occupation with Eichmann on the stand for the ninth straight day and elicited a flood of explanations adding up to only one thing: Eichmann never conceived an order but only carried out his superiors' bidding.

Illustrative of this was Eichmann's repudiation of a document naming him as the man who "ordered" evacuation of a mental hospital in Holland so it could be turned over to SS military units.

Lisbon VFW Annex Work To Begin

LISBON — Construction of a concrete block addition, 82 by 29 feet, at the Wilfred Clunk Veterans of Foreign Wars Post on E. Lincoln Way was expected to get underway today after the area for the annex was surveyed and staked out Wednesday evening.

Commander Jerry Sanders said the addition will extend 29 feet east of the present two-story brick structure. The front will be recessed and finished in sandstone. A planter will run along the front of the new annex beneath glassblock windows.

The new area will be used as a dining hall, social room and a meeting area. Toilet facilities and a kitchen will extend across the back of the addition.

Entrance to the new area will be made from the front into a vestibule. Another entrance or exit will be at the east side of the building, and still another will be in the rear, Sanders said.

The venture marks the first major expansion program by the veterans organization of 270 members, 85 of whom are social members.

Sanders said a great deal of the credit for the undertaking goes to the organization's active auxiliary. The auxiliary plans to serve banquets and luncheons to help pay for construction. It is hoped that the annex will be ready for use by late September.

Members of the post building committee are Bill McDevitt, Robert Kelm, John Cosma, Evan Evans, Warren Nold, John Blockson, Walter McCoy, Howard Logue and George Arnato.

Kangaroos reportedly are reaching plague proportions in Central and northern Australia. The animals spoil crops and the grazing lands of cattle and sheep.

Lewis Is Named Principal at Lisbon

LISBON — John C. (Jack) Lewis of 332 E. High St., was hired as principal of Lincoln Elementary School Thursday, after several sessions by the Lisbon School Board.

He was selected over 12 other applicants for the position which pays \$8,500 annually.

Lewis, who taught social studies in the fourth, fifth and sixth grades at McKinley School last

year, will take over the principal's position held by David Barrow since 1958. Barrow has accepted a salesman's position with the Ginn & Co. Textbook Publishing House, effective Aug. 1. He will begin his duties immediately.

Lewis is a 1951 graduate of Greensburg, Pa., High School. He graduated from Westminster College with a B.S. degree in 1957 and received his master's degree from the same college in 1960.

Formerly an assistant football coach, he also served as seventh and eighth grade basketball coach.

His eighth grade team won the Salem tournament last year. Lewis is married and the father of a 2-month-old son.

The Doctor Says

By DR. H. T. HYMAN

'Iodide' and Mumps Not Related

Q—Is it true that mumps can be caused by iodine?
A—Iodides (not iodine) may cause enlargement of the mumps and other glands. True mumps (epidemic parotitis) is a virus infection that has much more far-reaching consequences than most folk believe.

Dr. H. T. Hyman

There is no relationship between "iodide mumps" and epidemic parotitis. That is to say, iodide mumps will not be followed by an immunity to the virus infection.

However, there is a mumps preventive vaccine that is gaining increasing popularity with pediatricians.

Q—I AM 43 YEARS OLD and since I was a girl of 14 I've suffered from extreme drowsiness.

I was reared on a farm in Colorado where horses died of sleeping sickness during the 1930s. At that time, we did not know the

disease was transmissible to humans, so we nursed our own horses during their illnesses.

Now while my general health is good I've never gotten over this drowsiness that seems to persist despite everything my doctors have done for me.

I read your article on equine encephalitis and recognized that this is the form of sleeping sickness from which our horses died and from which I suffer. You said also that it is of mosquito.

What worries me is the possibility that I may still be a carrier and that if a mosquito bites me it may carry the virus to someone else. Is there any way I can have my blood tested?

A—WHILE IT IS UNLIKELY that you continue to be a carrier after all these years, your point is well taken. The tests you require are very difficult to carry out. I would suggest that you contact your local health officer, who will undoubtedly refer you to the nearest facility operated by the U.S. Public Health Service.

I would greatly appreciate learning the results of your tests.

—WHAT CAUSES AN excess amount of phlegm in the throat of a 15-year-old boy? He cannot clear his throat and you can tell by his voice that his throat is never clear. He had his tonsils removed about a year ago and this did not help at all.

He sleeps with his mouth open and has difficulty breathing through his nose. What type of doctor should I take him to? removing adenoid tissue from the vault of the nose at the time of tonsillectomy.

From your description, I suspect that only the tonsils were removed at the time of operation and that the residual mass of adenoid tissue blocks the back of the nose and drips secretion down the back of the boy's throat and onto his vocal cords.

Take him back to the surgeon who operated on him and see if he won't complete the operative procedure.

The Deming Sale to Crane

Stockholders' approval is expected July 26 which will make the Deming pump company of Salem a division of the Crane Company, a leading manufacturer of plumbing fixtures, valves and allied products. Directors of both firms have sanctioned the sale and purchase.

Demings, which employs about 600, is the fourth major local industry to be acquired by a larger company since 1953 when the Eljer Company (National Sanitary) was purchased by the Murray Corporation of America. The Mullins Mfg. Company was acquired by American Radiator and Standard Sanitary Corp. in 1956 and about two years ago the International Basic Economy Corporation (IBEC) bought the C. B. Hunt & Son plant.

The latter is humming under the guidance of IBEC and the American-Standard plant, although not the flourishing factory it was in wartime and in the post-war Youngstown Kitchens era, is today a steady, sound operation for the parent company. Murray Corporation, after its acquisition of Eljer, invested a small fortune in expansion and

remodeling of the local facilities and today points with pride to its local operation.

Sales of locally-owned plants like Demings usually provoke sentimental comment but it takes more than sentiment to keep pace with the economic challenge of today's highly competitive industrial markets.

As President Walter Deming pointed out in his announcement yesterday, "it is felt that the combination with Crane will reduce distribution costs and thus make Deming pumps more competitive and provide more work in the Deming plants."

Because Crane has no other pump-manufacturing operation, the company is likely to concentrate more attention to its Salem division and lend its great research facilities to the exploration of new products and improvements of present ones.

The names of Crane and Deming are well-established in manufacturing circles and on the domestic and international markets, an important facet with respect to the future.

We take this opportunity, on behalf of the citizens of Salem, to welcome the Crane Company to Salem.

Newburgh Policy Struck Sparks

If one reaction could be depended on when the city council of Newburgh, N. Y., adopted a tough police on city relief last week, it was the indignation of professional social workers.

The reaction was accelerated by the coincidence that the New York Public Welfare Association had a convention scheduled this week while the Newburgh policy was still in the news. Resolutions calling the council action "dictatorial" and "inhuman" were forthcoming promptly when the convention began.

Newburgh's decision to bar from further relief women who bore further children out of wedlock after having been warned brought this typical reaction: that "denial of assistance to children because of their birthright is both inhumane and unacceptable to the people."

Instead of acknowledging that this is one of the serious abuses of public relief and could be curtailed by self-discipline, the resolution framers took the attitude that bear-

ing illegitimate children is not a conscious act but a social accident that others must pay for, for the sake of the children.

In this and the other reforms, the community and the state have joined an issue. The community wants to bring relief policy under local control. It wants to put a limit on relief. It wants to make persons on relief perform work for their allowances. It wants to administer the relief it can afford.

The state, on the other hand, wants to make Newburgh administer relief according to statewide standards. By threatening to withhold state payments unless Newburgh complies with their ideas, moreover, the state's social workers may be able to override Newburgh's local autonomy.

This is not Newburgh's issue, in other words. It is the issue in every community with the impulse to face up to the fact that relief has turned into something more troublesome than merely accepting responsibility for people who need help; that some people on relief never will help themselves as long as they can get help from the public.

Pleased Buyer Turneth Away Wrath

The Senate's Antitrust and Monopoly subcommittee investigation of packaging should be a firecracker. It has all the makings, including a ready-made public opinion that many of the practices range from absurd to indefensible.

All of us have encountered the king-size box with the dwarf-size contents—the bottle with the false bottom—the container designed to look as if it holds twice as much as it does.

Most of us have gasped at the opaque jar of towering size that contained only a smidgin of material; at the container whose empty spaces couldn't possibly be accounted for by anything but the intent to create an optical illusion at the economy size that could not be checked out by arithmetic.

But relatively few of us have gone to work on the proposition from the hard-nosed point of view that packages should contain close to what we think they contain and exactly what their labels say they contain. This is raw material for investigation. Some of the results may be lurid.

But nothing new will come out of the investigation, because everything has been thought of before and cussed and discussed

from time immemorial. This is, after all, the country that thought of watering stock just before it was weighed in at the packing houses, and we still water the stock. Yankees invented wooden nutmegs and puffed cereals that taste so good the consumer forgives the manufacturer for adding air, just as Americans have forgiven bakers for air-fortified bread and confectioners for air-fortified ice cream. And who wants to speak ill of cotton candy and cream puffs — those delectable adventures in culinary ephemera?

In the last analysis everything depends on how the customer feels about his purchase. He resents being played for a sucker, but he has no objection to being a sucker of his own accord. Things are not always what they seem, though of course things should be what they are labeled.

A man of 70 and a woman of 72 were married. We'll bet she never goes home to mother.

It's always a problem—saying exactly what you mean, or keeping your friends.

Possible dialogue when David Susskind offered Ex-President Harry Truman program to TV vice president for 26 weeks and had it rejected:

Dvid: "I've got a great TV program. Harry Truman for 26 weeks."

Veep: Are you kidding, or it is just my luck to understand you correctly?

Dave: Not at all. Here is a great ex-president, colorful, informative, a real showman. He can provide color on black and white sets.

Veep: Look, David, you and Minow are yelling for less violence on TV shows and you offer me Truman!

Dave: This would be a program of high quality.

Veep: You know very well that Harry is a one-man Western when he gets going. He can play a town marshal, a cowboy and a frontier badman without changing the street costume he uses for walking around the block. It's a matter of record he once shot Dewey clear out of national election from rear platform of a moving train.

Dave: He would correct the drab wasteland.

Veep: We don't need a civil war between TV and the Republican party to do that.

There is a suspicion his eye is on the ball in City Hall, but his heart yearns for a switch from Hudson to Potomac. If this is so, the old golfing advice, "Don't look up" is important for a four-year round on the Father Knickerbocker links. He named his own ticket, with some surprising switches of personalities. One included Paul Scra-

vane, who proved a wizard at New York snow removal. But question is whether he can make any headway against Tammany ice. We had a lot of snow last winter. But was it enough to bury Abe Stark through the 1961 summer and autumn?

A second big league baseball manager has been fired while fishing. Maybe Baseball Hall of Fame should have alley for Fishermen of Year.

A roadside diner has been taken over for banking headquarters. Not such a broad jump considering fact both feature hard rolls. But there will be some confusion with customers stepping to cashier's window and saying, "One franks and beans." Banks are pretty resourceful these days and may even fill the order. In fact the genuine "friendly diner-bank" clerk will now and then ask, "with mustard or catsup?" as he cashes check.

We can also imagine a bank clerk asking a depositor, "Haven't I seen you some place before?" and getting frank reply "Yes, I used to burn up the ham and eggs over a hot flame here."

Senators want to know why \$30,000 a year suite in luxury hotel is necessary for Adlai Stevenson as U.N. delegate. Adlai is all for the new frontier but why should he cross it in a covered wagon?

We'd Better Start Whittling Overtime

Inside Labor By Victor Riesel

The time has come, some old walrus might tell the new administration, to talk of more than ships and sealing wax. And like Alice in Wonderland, the time has come to discover why the "sea is boiling hot."

The ship strike has set a precedent. The President's labor friends have rejected public and private appeals not to rock the boat.

It is therefore not unlikely that there may be another break between old political allies and that Walter Reuther may hit the \$7 billion auto industry with a strike this fall.

What the White House and Art Goldberg have just learned is that personal phone calls, either from Jack Kennedy or the labor secretary, no longer are enough to get a quick settlement or even avert a quickie strike.

This came as a surprise. Mr. Goldberg, for example, held up canceling his very important trip abroad until the last minute.

HE SET his own departure deadline at 1 p.m., Saturday, June 24. This trip was to have been a very important quasi-diplomatic venture.

There were to have been private conversations with the highest British officials, Scandinavian and Italian leaders and His Holiness, Pope John. But the ships stayed glued to their piers, held there by some of the very same leaders who were on the advance trains and planes for candidate Sen. Jack Kennedy.

Bluntly what the maritime labor leaders wanted was White House intervention — on their side. And just as bluntly, that's what Reuther will want next fall.

I say next fall because the United Auto Workers (UAW)

strategy seems to be to outwait the changeover — the retooling — to new car models. Workers are laid off during this retooling. Then they're recalled about the middle of August.

If the UAW doesn't get what it considers an acceptable contract, or if negotiations are bogged down, the auto union would wait until Sept. 1. Then they could threaten to strike.

If they do call a walkout then they can shut off the supply of new cars, they reckon. If there is a long stoppage, there will be a slash in the production of steel — for "Detroit" gobbles up about 20 per cent of the steel output.

This could give the government more economic headaches than the discovery of an unguarded open back door at Fort Knox.

IF THE PUBLIC starts buying foreign cars, it may not stop. During the 116-day steel strike U.S. manufacturers began buying foreign steel. This has not stopped. We're still importing more steel than we're exporting.

Point is, will there be a Detroit deadlock? Well, Reuther and his high command appear to be most interested in winning one principle above all — they want what the insiders are beginning to call "Income Security." This is different from job security.

There are 322,000 auto workers — and they work on an hourly basis. For the most part their jobs are protected by seniority and grievance machinery. But they can, of course, be laid off when car sales are slow.

If the workers are laid off for full weeks they are covered by private and public unemployment insurance.

But, Reuther says, what if the men are laid off a day or two a week. Reuther now wants these workers to be paid for a full week. His argument is that a

stenographer, for example, or a bookkeeper or any of the other 140,000 clerical and other salaried employees in the auto industry are not docked if there's no work for them to do some afternoon.

The auto union's argument is: Why dock an assembly worker? Why not give him full income for the week? Why not "income security"?

BUT REUTHER, the realist, knows he can't take the auto companies this year like the Indians took Custer. So the approach will be, why not put those workers on a full income week whose tasks are like those of the office workers?

The clerical help, many of them, push buttons on adding machines or computers. Many production workers also operate computing machine console buttons. Also, there are many plant men who get a full week's work most of the year.

Why not, says Reuther, make them regularly salaried workers too, instead of figuring their pay by the hour.

So, says Reuther, let us and the management set up a committee this year to work out such a "conversion principle" — the beginnings of regular salaries for production workers in mass industries.

Such a beginning, according to the auto union's strategy, could be in the form of a special unemployment payment for each of the laid-off days — even if this comes only to a few dollars. In other words, this would be a sort of daily unemployment insurance.

This would make precedent. It is not likely that the auto companies, without guaranteed sales, will be converted to this conversion. At this point Reuther may strike — if the White House does not step in on labor's side.

That's what some of us old walruses see as the lesson in the shipping stoppage.

More Complications

By DAVID LAWRENCE

Supreme Court Ruling Poses Many Questions

Just a few days ago the Supreme Court of the United States ruled that it is unconstitutional for the federal government or any state to require a "belief in the existence of God" as a qualification for public office.

Now the question has arisen as to whether any David Lawrence illegality surrounds nearly \$32 billion in U.S. currency bills and coins in circulation — dollars, half dollars, quarters, dimes, nickels and pennies — on which are inscribed the words: "In God We Trust."

A law of Congress, passed in 1955, required that this phrase be put on all new money issued by the United States. For 80 years previously it had been inscribed only on certain silver coins and not on currency bills.

There's a further complication. Are oaths taken heretofore by public officials still valid? Is the law prescribing the official oath of office, as passed by Congress in 1884, now unconstitutional?

This law provides that "the oath to be taken by any person elected or appointed to any office of honor or profit either in the civil, military or naval service" must include the words, "So help me God."

Furthermore, in almost every court in the land and, indeed, in hearings by every committee of Congress where a witness swears to "tell the truth, the whole truth and nothing but the truth," the oath concludes: "So help me God."

In its recent ruling, the Supreme Court held that requirement of a "belief in the existence of God" as a qualification for public office "unconstitutionally invades the appellant's freedom of belief and religion and therefore cannot be enforced against him."

Are the oaths prescribed by existing law, therefore, an invasion of the citizen's rights?

What happens if a witness before a court refuses to be sworn, proclaiming that there is no God and that such an oath is not binding and is, in addition, a violation of religious freedom?

What action can the court take to get truthful testimony and at the same time protect such a witness against invasion of his "freedom of belief and religion"?

Is, in fact, the prescribed oath binding upon a person who denies the existence of God, and could a charge of perjury be prosecuted against such a person who testified falsely?

Also, was it an invasion of "freedom of belief and religion" when the Congress in 1954 added the words "under God" to the Pledge of Allegiance to the Flag of the United States which is now given constantly in our schools and elsewhere?

A FORMAL REPORT of the Judiciary Committee of the House of Representatives in May 1954, just before the passage by Con-

gress of an amendment to include the phrase "under God" in the pledge, said in part:

"At this moment of our history the principles underlying our American government and the American way of life are under attack by a system whose philosophy is at direct odds with our own...."

"The inclusion of God in our pledge therefore would further acknowledge the dependence of our people and our government upon the moral directions of the creator."

At the same time it would serve to deny the atheistic and materialistic concepts of communism with its attendant subservience of the individual.

"The Supreme Court ruled in 1892 that 'this is a religious nation.' It reiterated this holding, more recently — in 1951 — when it stated:

"We are a religious people whose institutions presuppose a supreme being."

"Those words by our Supreme Court are true in a very fundamental and realistic sense. From the time of our earliest history our peoples and our institutions have reflected the traditional concept that our nation was founded on a fundamental belief in God...."

"On July 4, 1776, our Founding Fathers proclaimed our Declaration of Independence which no less than four times refers to the existence of the Creator...."

"This same document appeals to 'the supreme judge of the world' that this nation be free, and pledges our nation to support the declaration 'with a firm reliance on the protection of Divine Providence'...."

"The Supreme Court has clearly indicated that the references to the Almighty which run through our laws, our public rituals and our ceremonies in no way flout the provisions of the First Amendment...."

IN SO CONSTRUING the First Amendment, the court pointed out that, if this recognition of the Almighty was not so, then even a fastidious atheist or agnostic could object to the way in which the court itself opens its sessions, namely, 'God save the United States and this honorable court.'"

What a pity that the Supreme Court on June 19 last didn't follow the reasoning cited by Congress instead of arbitrarily reversing the rulings of the high court in the past!

Maybe it's time for the Supreme Court justices to re-read carefully the warning given by George Washington in his Farewell Address in 1796:

"Let it simply be asked, where is the security for property, for reputation, for life if the sense of religious obligation desert the oaths which are the instruments of investigation in courts of justice? And let us with caution indulge the supposition that morality can be maintained without religion. Whatever may be conceded to the influence of refined education on minds of peculiar structure, reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principle."

Endearing Remarks

By HAL BOYLE

NEW YORK (AP)—So you're going abroad this summer, and you want to make friends.

Well, you can—that is, if you manage to keep your foot out of your mouth. It's all in knowing what to say.

People overseas are basically like the people who live next door to you. They'd rather listen to you praise them than brag about yourself.

They won't mind if you overdo it a bit. They understand exaggeration is a typical American trait.

Avoid making unfavorable comparisons. If you must speak about the United States, be humble. This will cause the startled natives to respect you—or conclude you are too ill or tired to brag. In any case they'll like you better.

Here is a sample glossary of the kind of remarks that will get you red carpet treatment abroad.

IN GREAT BRITAIN: "That was a dirty trick George Washington played on Lord Cornwallis—attacking just at tea-time. It really wasn't cricket at all."

"Ever since we quit being your colony, we've had nothing but trouble, trouble, trouble."

"What wonderful summer weather! Here, let me lend you my umbrella."

"We did our best to be of some help to you in the second World War, but, my, we were awfully late getting into it, weren't we?"

"If our trained diplomats had as much training as your trained diplomats, the world wouldn't be in such a mess."

IN FRANCE:

"You mean we're having snails in garlic butter sauce again tonight? Goody, goody, goody."

"The service has been so won-

derful, a 15 per cent tip doesn't seem enough. Please let me make it 25 per cent."

"You certainly are right, mon-soor. American women are too bossy. They make slaves of their men. French women are much more feminine."

IN RUSSIA:

"Da, comrade Khrushchev, it is a marvelous new steel plant. I wish we had a few like that back home."

"Is that really a peasant? my, he's so well dressed—with those football shoulders and those wide, wide lapels. We sure could take a few fashion hints from you."

IN GERMANY:

"Why, of course, I realize a swell fellow like you never could have been a Nazi."

"It's a mystery to me why the other countries envy your progress. After all you work hard—and have discipline."

This family is the victim of hot weather stalling—one of three infuriating troubles that can strike your car on sizzling days. Super Shell's Hot Weather Blend fights all three.

HAPPY JULY 4th?

Fight hot weather stalls with Super Shell's Hot Weather Blend. Famous 9-ingredient formula now adjusted for top performance when highways sizzle.

You can get Super Shell's Hot Weather Blend at any Shell station on your route this weekend. Read how it just might save you a lot of trouble.

Engines, like people, can suffer from heat prostration. Especially in the kind of hot and heavy traffic you may face during the weekend ahead.

Here are three infuriating troubles that are caused by excessive heat — and what Super Shell's Hot Weather Blend does to fight them.

How Super Shell fights hot weather stalls

If your engine sputters and dies on a hot day, it may have an ailment called vapor lock.

Hot weather can make certain gasolines start to boil right in the fuel line. They literally bubble. Vapor lock takes place when the bubbles choke off the fuel supply.

Shell scientists attack vapor lock by revising Super Shell's nine-ingredient formula in summer.

They reduce its volatility. This produces a Hot Weather Blend of Super Shell that's not likely to boil in your fuel line. It cuts the chances of hot weather stalls to a minimum.

How Super Shell fights hard starting

Here's what can happen when you try to re-start your car after a hot drive.

With the fan stopped and the cooling system idle, intense heat under the hood can actually make gasoline percolate in some carburetors. Just like coffee in a pot.

The gasoline spills over, floods

the engine—and makes it hard to start.

Super Shell's Hot Weather Blend is formulated to stand high temperatures without percolating. You get quick starts even after a long, hard, hot drive.

How Super Shell fights rough idling

The same trouble that causes summer starting difficulties can give your car the shakes every time you stop for a traffic light.

Super Shell's Hot Weather Blend attacks both problems the same way. Its formula is adjusted so that it's in no hurry to boil and bubble. Result: smooth idling in hot weather.

Shell trouble-shooter

Your Shell dealer will be glad to prepare your car for summer driving. His trouble-shooting may save you hours of delay on the road.

And ask him to fill your tank with Super Shell's Hot Weather Blend. Then you will really be set for top performance.

Super Shell's 9 ingredients for top performance

#1 is TCP*—for power, mileage, and longer plug life.

#2 is "cat-cracked" gasoline—for power.

#3 is anti-knock mix—for knock resistance.

#4 is Alkylate to control "high-speed knock."

#5 is Butane—for quick starts.

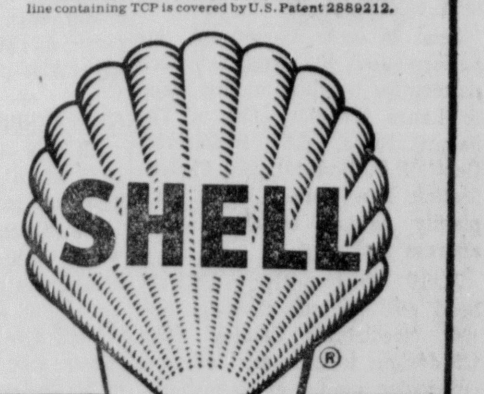

#6 is Pentane mix—for fast warm-ups.

#7 is an "anti-icer." (Added when cold weather sets in.)

#8 is gum preventive—for clean carburetors.

#9 is Platformate for extra mileage.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

THE WOMEN'S Association of the Salem Golf Club met Tuesday afternoon.

Winners in the Class A tournament were Mrs. Stan Gurney and Mrs. Steve Grubish in a two way tie of low net. Low putt honors went to Mrs. Gurney.

Class B low net first went to Mrs. L. P. Hoppes, and second was a tie for Mrs. George Hammar and Mrs. Alfred Konnerth. Low putts went to Mrs. William Stevenson.

Class C first went to Mrs. Kenneth Pinkerton and second to Mrs. Wallace King who, also was low on putts.

First in the nine hole play was Mrs. Gus Schuster and second, Mrs. Tom Palison. Low putts went to Mrs. Homer Detler.

The association will meet on July 6 for the next play.

A PICNIC AT Midway Lake was enjoyed by 30 members of the Berean Class of the First Friends Church Wednesday. Out of town guests were Mr. and Mrs. Clarence Townsend of Jacksonville, Fla.

The evening was spent fishing, boating, visiting and pitching horseshoes.

Mr. and Mrs. Paul Smith, Mr. and Mrs. William Headland and Mrs. Vera Roher were hosts.

MRS. CHARLES KELLY of the Depot Road entertained Mrs. Melvin Wilms of the Franklin Square Road with a shower in honor of her recent marriage.

Sixty guests were present from New Castle, Akron, Lisbon and Leetonia. Mrs. Elmer Graybeal was in charge of the entertainment and games.

The table was decorated in blue and white and centered with a two-tier wedding cake topped with the traditional bride and groom. Spring flowers were used to decorate throughout the house.

Mrs. Wayne Rozeski, Mrs. Richard Briggs and Mrs. James Kelly helped in serving the lunch. Mrs. Ted Berry registered the guests.

Mrs. Wilms is the former Virginia Lee Kelly, daughter of Mr. and Mrs. Harry S. Kelly of the Depot Road. Mr. Wilms is the son of Mr. and Mrs. Lawrence Wilms of Franklin Square. The couple were married June 9.

MISS JACKIE STOFFER, fiancée of Ronald Todd, was recently honored at a bridal shower, with her grandmother, Mrs. Josephine Pauline of Washingtonville as the hostess.

Games and contests were enjoyed, with prizes going to Mrs. Edward Radler, Mrs. Walter Seederly, Mrs. J. A. Stouffer,

Mrs. Carl Steitz and Mrs. William Radler.

The buffet table was laid with a lace cloth, with the umbrella centerpiece and favors in keeping with the green and white color scheme. Bouquets of peonies and roses completed the room decorations.

The honoree received many gifts.

The couple will be married Aug. 5 in Trinity Lutheran Church at Washingtonville.

THE FIFTH birthday anniversary of Ronnie Lee Stoudt was celebrated at a party Tuesday afternoon at the home of his parents, Mr. and Mrs. Carl Stoudt of New Garden.

Green and white streamers and balloons decorated the room. The refreshment table was centered with a decorated cake. Games were enjoyed by the 14 guests, who presented Ronnie with many gifts.

FIVE HUNDRED was the diversion when Mrs. Virgil Yaeger of RD 5, Salem, entertained the We Dine Club Tuesday evening after dinner at Carosella's in Youngstown.

Game honors were shared by Mrs. L. L. Brown, Mrs. Cecil Kelly and Mrs. Charles Kniseley.

Mrs. Russell Shirley will entertain the group July 18.

MRS. ROBERT MAY, most excellent chief, conducted the business meeting when seventeen members of the Oak Leaf Temple of Greenford Pythian Sisters met on Tuesday evening at the temple.

Good of the order box was won by Mrs. Arlin Coy.

A surprise baby shower was given for Mrs. Arlan Coy. A huge rocking chair was loaded with presents and all members sang "Rock-a-bye Baby" as the gifts were presented to Mrs. Coy. Games were played.

Mrs. John Harbin and Mrs. George Coy were in charge of the program.

Lunch was served on trays with pink and blue sugar babies used as favors.

There will be an afternoon tea at the home of Mrs. Edwin Bush on July 19 from 1 to 3 p.m. made cookies.

The next meeting at the temple will be July 25.

Christian Church Fellowship Installs

Installation of officers highlighted the Wednesday evening meeting of the Christian Women's Fellowship of the First Christian Church. There were 75 in attendance.

"What Is in Thy Hand?" was the theme for the meeting with Mrs. Harold Deitch in charge. The worship setting featured a picture of "The Praying Hands" by Albert Durer, illuminated by a revolving color wheel light.

Mrs. Joe Celin sang "Soft Were Your Hands, Dear Jesus" and "He's Got the Whole World in His Hands," accompanied by Miss Jane Goddard.

The new officers installed for the ensuing year were: President, Mrs. Virgil Niederhiser; first vice president, Mrs. Perry Huffman; second vice president, Mrs. Oliver Davis; third vice president, Mrs. Russell Gunn; recording secretary, Mrs. Kenneth Herold; corresponding secretary, Mrs. James Semple; treasurer, Mrs. Albert Hanna; assistant treasurer, Miss Alice Stallsmith.

Worship chairman, Mrs. John Goddard; music chairman, Mrs. Lawrence Goddard; afternoon group leaders, Mrs. Richard Wilson, Mrs. Russell Thomas, Mrs. Russell Waltham; evening group leaders, Mrs. Don Way, Mrs. Glenn Gieckler, Mrs. Ralph Phillips.

Mrs. Martin Roth, retiring president, and Mrs. William Arnold presided at the silver service when refreshments were served by the Dorcas Group. A centerpiece of roses graced the table.

The meetings were adjourned until September.

Officers Inducted By DeMolay Mothers

Mrs. Samuel Cosma of Lisbon was installed as president of the DeMolay Mothers Club at its meeting Wednesday evening at the Masonic Temple.

Other officers inducted by Mrs. Wendell Church were: First vice president, Mrs. Brownie Tepsic; second vice president, Mrs. Ralph Starbuck; secretary, Mrs. Donald Combs; treasurer, Mrs. Charles Billman; chaplain, Mrs. Norman Whinnery.

Mrs. Cosma appointed the following committee chairmen: Social, Mrs. James McGee, Mrs. Robert Gibb; calling, Mrs. Combs; sunshine, Mrs. Albert Beaumont; state representative, Mrs. Jack Brooks.

The nine members in attendance discussed the district luncheon to be held July 8 in Warren. Reservations are to be made with Mrs. J. W. Townsend.

Plans were formulated for the DeMolay progressive dinner to be held July 25.

Refreshments were served by Mrs. Tepsic and Mrs. Beaumont. The meetings were recessed until September.

Presbyterian Unit Hears Book Review

Mrs. Harry Snyder presented a book review at the general meeting of the Women's Association of the First United Presbyterian Church Wednesday evening in Fellowship Hall.

Mrs. James Hollinger, first vice president, presided. Mrs. Wilbur Sangree led devotions on the topic, "The Bread of Life." Mrs. Franklin Huber Jr. presented Miss Nancy Boyd who played two piano solos, "Caprice" and Haydn's "Sonata."

Miss Caroline Hole and Mrs. Louis Weirick were in charge of the medical mission offering program. Miss Hole said "the offering gives us a share in service to the sick and suffering in our own country and foreign lands. Mrs. Weirick read a poem entitled, "Half Way Doin's Haint No Count."

Mrs. Snyder reviewed the book, "The Great Ngee," a story of Dr. Silas Johnson, one of the pioneer doctors in Africa. It was written by his daughter, Lois Johnson McNeill.

The June committee served refreshments, with Mrs. Albert Kenreich and Mrs. George Bonser.

The next Association meeting will be Sept. 20 at 9 a.m.

Rance-Balevre Nuptials Held In Leetonia Catholic Church

Miss Carmella Rance, daughter of Mr. and Mrs. Joseph Rance of Leetonia, and Robert Balevre, son of Mrs. Audrey Balevre of Leetonia, were married Saturday morning in St. Patrick's Catholic Church in Leetonia.

Rev. William W. Maund officiated at the double ring ceremony.

Given in marriage by her father, the bride chose a floor-length gown of chantilly lace and tulle over taffeta. It was designed with a scalloped neckline, with a cascade of ruffles down the back of the skirt. A crystal crown held her fingertip veil. She carried a white Bible topped with yellow roses and stephanotis.

Her only attendant was Miss Louis Calabrese of Leetonia. Her sky-blue chiffon over taffeta gown featured white flocking and was styled with a scalloped neckline, with a satin cummerbund and back bow. She carried white carnations edged in blue.

Robert Clunen of Leetonia was best man, and the ushers were James Rance, brother of the bride, and Joseph Mango of Leetonia.

For her daughter's wedding, Mrs. Rance chose a rose lace over taffeta dress with white accessories, while Mrs. Balevre wore a grey and white polished cotton dress with white accessories. Both wore white carnation corsages.

A dinner for the bridal party was held at the home of the bride, after which an open house was held at the home of the bridegroom's sister, Mrs. Joseph Kiliany of Leetonia. One hundred guests were present from Leetonia, Salem, Columbiana, Hanoverton and Washingtonville. The bride's table featured a three-tiered wedding cake, decorated in yellow.

Mrs. Shirley Stout of Salem and Miss Josephine Rance, sisters of the bride, and Mrs. Alice Girard and Mrs. Esther Stouffer, aunts of the bride, served.

The bridegroom is employed by the Berg Bretzel Co. in Leetonia. For their wedding trip to Cedar Point and Sandusky, the bride wore a pink sheath with white accessories. They will reside at 237 Front St., Leetonia.

Deaths, Funerals

Charles W. Davidson

Charles William Davidson, 69, of 385 S. Lincoln Ave., died suddenly of a heart ailment at 9 a.m. today at his home.

Born at East Liverpool, April 23, 1892, he was the son of the late John and Minnie Davidson. His father was mayor of Salem at one time.

A resident here most of his life, coming from East Liverpool, he was employed as a machine operator by the Hunt Valve Co until his retirement four years ago.

He was a member of Holy Trinity Lutheran Church.

Survivors include his wife, Pauline Schmidt Davidson; a son, Charles W. Jr., of Iowa City, Iowa; three daughters, Miss Shirley Davidson at home, Mrs. Glenn Eckert of Columbiana, Mrs. Anthony Sheen of Salem; and eight grandchildren. A brother, Donald preceded him in death.

Services will be held Monday at 2 p.m. at the Arbaugh-Pearce Funeral Home. Rev. Daniel Keister, of Holy Trinity Church will officiate, with burial in Grandview Cemetery.

Amelia Wiedmayer

LEETONIA — Miss Amelia Wiedmayer, 85, of 95 Chestnut St., died of a heart attack at 10:30 p.m. Thursday in Salem City Hospital, following two weeks' illness.

Born here, Oct. 7, 1875, she was the daughter of Christian and Louisa Baun Wiedmayer.

She was a member of St. Paul's Lutheran Church and was associated with the former Farmers and Merchants Bank here for 45 years.

Survivors include a sister, Barbara of Leetonia; six nieces and a nephew.

Services will be held Sunday at 2:30 p.m. at the Woods Funeral Home. Rev. T. P. Laughner of St. Paul's Church will officiate, with burial in Oakdale Cemetery. Friends may call at the funeral home Saturday evening.

83 County Scouts Scheduled for Camp

An estimated 83 Boy Scouts of Columbiana Council will attend the second week of camping beginning Sunday at Camp Twin Spruce at Leesville Lake.

Troops, sponsors and number of boys attending are:

Troop 7 — St. Aloysius Church, East Liverpool, 17; Troop 40 — Methodist Church, East Fairfield, 21; Troop 47 — Franklin Township Parent-Teacher Assn., 10; Troop 52 — Hanoverton Ruritan Club, 10, and Troop 59 — Yellow Creek Presbyterian Church, 35.

The first week of camp will come to a close Sunday noon.

County Commissioners Okay Slag Grants

LISBON — Columbiana County commissioners Thursday approved \$300 slag grants to Fairfield and Yellow Creek Township trustees after the trustees reported that their road funds were depleted.

They also authorized the payment of \$10 for 10 chickens killed by stray dogs at the home of Marion Kirkbride of Glenmoor. Payment of an additional \$6 was authorized as witness fees.

Permission was given to Knox Township trustees to purchase a road rake from the York Co. of New York at a cost of \$1,700.

The commissioners' next meeting will be Monday from 10 a.m. to 4 p.m.

Kiwanians to Attend Toronto Convention

E. Ralph Martin, president of the Salem Kiwanis Club, and James Giffin and Les Dunlap will represent the local club at the 46th annual convention of Rotary International in Toronto, Canada, next week.

The convalesce opens Sunday and continues through Thursday, attracting some 17,000 Kiwanians and their wives.

Judge Rules Lias Can't Be Deported

WASHINGTON (AP)—A federal judge says that William G. (Big Bill) Lias is a natural-born citizen of the United States.

Lias, fighting deportation, is therefore not subject to being sent from this country as an alien. U.S. District Court Judge Alexander Holtzoff Thursday issued the decision after conclusion of four days of testimony.

Holtzoff said the court is of the opinion, weighing evidence on both sides, that the plaintiff (Lias) has established by a fair preponderance of evidence that he is a natural-born citizen of the United States and the court so finds.

E. Riley Case, special assistant to the attorney general said, the matter of appealing the decision would be taken under advisement.

Holtzoff, in reviewing some of the testimony, pointed to the lack of any birth certificate issued at the time Lias was born. He said there were only delayed birth certificates issued by West Virginia stating that the former Wheeling, W.Va., bootlegger and race-track owner was born in that state.

Concerning records in Greece, the court said, there was also lack of conclusive records to show where Lias was born.

The government has contended Lias was born in Gythion, Greece, while Lias has insisted during his trial, a previous U.S. District Court trial and hearings before the immigration board that he is a native of West Virginia.

The new court trial was completed in the absence of Lias himself. Testimony by Lias was offered by both sides in the form of a deposition previously given by Lias.

Holtzoff, who conducted the trial without a jury, had made it clear earlier he felt Lias was not helping his case by remaining away from the courtroom.

Deerfield

Mr. and Mrs. Badley Wade and son Allen Dale have returned from a vacation with his parents, Mr. and Mrs. Edward Wade at Jopka, Ill., and Mr. and Mrs. Robert Gregory of Buckhorn, Ky. former Deerfield residents.

Mr. and Mrs. James Newell are the parents of a daughter born at the Trumbull Memorial hospital at Warren. She has been named Diana Sue.

Pfc. Calvin Lindenmuth of Fort Monmouth, N.J., spent the week with his parents, Mr. and Mrs. Richard Hartzell. He left Tuesday for Radar Data Processing Maintenance School at Fort Bliss, El Paso, Tex.

7 Teachers Needed In County System

LISBON — Columbiana County School Supt. James L. McBride said today that county schools need seven teachers to complete their staffs for next year.

United Local needs a first grade teacher and two middle grade teachers; Beaver Local needs an industrial arts teacher for the high school and Southern Local needs a lower and two upper grade teachers.

Qualified persons interested should contact either Supt. McBride or the three schools at their earliest convenience.

FINED AT E. PALESTINE

EAST PALESTINE — Three area drivers appeared before Judge Herbert E. Arfman of the Eastern Division court, Thursday.

Robert L. Snyder of Salem, forfeited a \$15 bond on a speeding charge; and Filmore R. Eason of Lisbon, forfeited a \$50 bond on an overload charge; and Paul F. Carmellini of Canfield, was fined \$10 and costs for crossing a double yellow line.

Marilyn Monroe 'Good' Following Bladder Operation

NEW YORK (AP)—Glamorous Marilyn Monroe had her gall bladder removed Thursday night in a two-hour emergency operation at Polyclinic Hospital.

Early today, the blonde beauty, 34, was reported in good condition.

Seven doctors were in attendance during surgery, including Marilyn's personal physician who had flown in from California.

Under sedation, the movie queen was wheeled into her private room where her ex-husband, former baseball great Joe DiMaggio waited.

A hospital spokesman said "The entire gall bladder was removed" during the operation, adding: "There were no complications and she is resting well."

A hospital spokesman said the normal convalescence period from gall bladder surgery is 10 to 12 days.

DiMaggio, who had been standing by at the hospital ever since Marilyn was admitted, has been seen with her a great deal ever since her divorce last winter from playwright Arthur Miller, her third husband.

Last February, Miss Monroe signed herself into the Payne Whitney Clinic of New York Hospital, a psychiatric institution. Later she transferred to Columbia-Presbyterian Medical Center for treatment of what was described as "emotional and physical exhaustion."

Last May she underwent minor gynecological surgery at Cedars of Lebanon Hospital in Hollywood.

East Palestine Gets Its Fifth Physician

EAST PALESTINE — The fifth physician to settle here will begin his practice July 17. He is Dr. Nicholas J. Soldo, son of Mrs. Teresa Soldo of E. Grant St., and the late James Soldo.

He is a 1952 graduate of East Palestine, a 1956 graduate of Bethany College, Bethany, W. Va., and a 1960 graduate of the Ohio State College of Medicine. He interned at the North and South Side Hospitals in Youngstown the past year.

Dr. Soldo will be associated with Drs. W. S. Elliott and Charles F. Kissinger. He is the second doctor to locate here in the past year. Dr. Felipe Gonzales, formerly on the staff of Salem City Hospital, came here last winter. Dr. Soldo is married to the former Charlotte Phalen of Logan, W. Va., and is the father of a son, Nicky.

Twilight Meeting Set By Potato Growers

LISBON — The board of directors of the Columbiana-Mahoning Potato Growers Assn. met Thursday evening at the Reash Implement Dealers in Columbiana.

Plans were completed for the summer twilight meeting which will be held Aug. 1 at the Firestone Farms beginning at 6:30 p.m.

The group will visit the test plots on the farm and then will go to the Ivan Reash and sons farm at New Waterford to inspect the Reash potato fields prior to holding their meeting.

Dr. E. L. Nixon of University Park, Pa., will be the guest speaker.

Six Truckers Fined After Court Hearings

Six truckers paid a total of \$174 and costs in overload violations today in Mayor Dean Cranmer's court.

Those fined are the following: Albert Griener, Jr., 32, of Alliance, \$25 and costs.

Charles D. Heffner, 41, of Youngstown, \$25 and costs.

Ray M. Stevelton, 54, of Reading, Pa., \$25 and costs.

Orville Frye, 40, of Mansfield, \$25 and costs.

Charles Murphy, 42, of Canton, \$25 and costs.

Ory C. Mariana, 50, of Pittsburgh, Pa., \$49 and costs.

Episcopal Church Program Progresses

Tom Kneifel, general chairman of the Church of Our Saviour's Unified Financial Program reported today that the campaign to provide \$120,000 over a three-year period to remodel and renovate church property, as well as provide additional funds for normal operating purposes, is off to an excellent start with pledges now totalling \$58,251.

The drive officially began last Sunday with an All Church Loyalty service, with laymen outlining the program for the congregation.

The Barrett House next to the church, a 120-year-old historical landmark in Salem, is to be reconditioned and possibly converted into the church rectory. In addition, the sanctuary and nave are to be remodeled and redecorated.

"That part of the congregation we have had an opportunity to contact so far has given the program excellent support and we are looking forward to the same kind of enthusiasm and dedication from those who still are to be called on before the campaign ends July 6," Kneifel said.

The Western powers have rejected this proposal repeatedly on the ground it would lead to domination of West Berlin by Communist East Germany.

In recent weeks Khrushchev has threatened to sign a peace treaty with East Germany by the end of this year. He claims this would wipe out the rights of the Western powers with respect to Berlin, including access to the city across East German territory.

Rusk said the Western powers are in Berlin "by right, not by sufferance."

Rusk Cites Obligations
"We have obligations to ourselves and to the people of West Berlin," Rusk said in a transcribed discussion (CBS—At The Source), "and we do not accept the notion that those rights can be terminated, or that the security of the people of that city can be endangered by the unilateral action taken by someone else."

As to how the crisis will develop, Rusk thought that Khrushchev might try to whittle down the rights of the Western powers in slow stages instead of presenting them with an open challenge as dramatic as a forcible interruption of their land or air traffic between West Germany and Berlin.

Consultations are now going on intensively between the United States, Britain, France and West Germany and between them and the other members of the 15-nation North Atlantic alliance on preparatory measures which should be taken in the next few months.

The East Germans issued a decree Wednesday that after Aug. 1 airplanes flying across its territory must register with East German authorities. The decree did not specifically mention planes using the air corridors to Berlin, but U.S. officials thought the Reds might later seek to interpret it to apply to corridor flights.

The State Department bluntly denied the right of the East German regime to impose any regulations on allied air traffic using the corridors.

Nine Candidates File for Nov. 7 General Election

The County Election Board at East Liverpool today listed nine new nonpartisan candidates for the Nov. 7 general election, including the first aspirant for a seat on the Wellsville Board of Education.

The nine filed Thursday and this morning in what appeared to be the beginning of a rush of entries for election to posts in smaller villages, townships and school districts. The filing deadline is Aug. 9 at 4 p.m.

The Wellsville School Board candidate is William F. Ferrall.

In the only other entry from the immediate area, Thomas F. Deem filed for trustee of Liverpool Township.

Merle Esterly filed for the Board of Education of the Columbiana Exempted Village School District. Howard Goddard entered for one board of trustees of public affairs in Salineville.

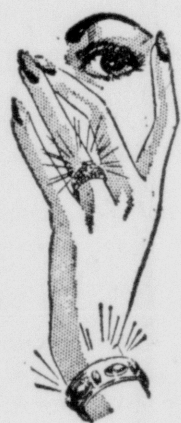

Other new candidates, all seeking township trustee posts, are: Walter Watson, Wayne Township; Dewaine Stone, Knox Township; Clyde Harroff and Clarence George, both of Middleton Township, and Ray D. Thompson, Center Township.

'Think Twice' Act Signed by Governor

COLUMBUS, Ohio (AP) — A "think twice" act, aimed at misguided souls who make false alarm reports to school officials, theater managers and others, has been signed into law by Gov. Michael V. DiSalle.

It makes it a penitentiary offense to knowingly make a false report of a fire, bomb planting or the like to someone in charge of a place where people assemble. It applies if the phony report results in law enforcement officials being called in.

In passing the proposal, state lawmakers indicated they hope that the maximum one-year prison sentence and fine of up to \$1,000 perhaps will make would-be callers think twice before sounding a false alarm.

Existing law prohibits false calls directly to police or emergency equipment dispatchers. It does not apply to school officials or others in charge of assemblies. The maximum sentence is six months and the top fine \$1,000.

NATIONAL EARNINGS—The American standard of living still climbs upward, despite increases in consumer prices. Average income in 1960 was \$2,242. This was a 4 per cent increase over 1959 and a 50 per cent jump above 1950. Per capita incomes were the highest on record for every state except New Mexico. They ranged from a high of almost \$3,100 in Delaware to about \$1,200 in Mississippi. States in the midwest and far west recorded the biggest incomes, with states in the southeast and southwest the lowest. But the low-income states increased their totals faster than the country as a whole during the 1950-60 decade. Data from the National Industrial Conference Board.

Some Postal Rates To Be Increased

Both domestic and international money order rates will be increased Saturday, Acting Postmaster Ray Reasbeck announced. All classes of special delivery mail, except first class and air mail special, also will be increased, he said.

The new rate for domestic money orders in amounts of 1 cent to \$10 will be 20 cents while the international rate for the same amounts will be 40 cents.

Other rates: \$10.01 to \$50, 30 cents for domestic and 60 cents for international and \$50.01 to \$100, 35 cents and 70 cents.

Persons buying money orders for more than \$100 have to buy separate money orders of \$100 each.

The present rate for domestic orders ranging from 1 cent to \$5 is 15 cents. Other orders are

\$5.01 to \$10, 20 cents, and \$10.01 to \$100 is 30 cents.

The international money order rates are double the domestic rates.

Mr. Reasbeck said the special delivery rates have been raised 10 cents for each weight classification.

The new rates will be: No more than two pounds, 55 cents; 2 to 10 pounds, 65 cents, and more than 10 pounds, 80 cents.

"THE SIGN OF YOUR HELPING HAND"

Our word "wedding" brings back medieval times, when marriage was a business transaction. A father sold his daughter to the bridegroom for money, horses, cattle, or other property. This payment was called the wed. A wedding was the pledging of a bride's troth to the man who bought her. And so we call it today, though brides are no longer swapped for livestock.

Slumping Cleveland Downed 3-1 by Washington Homers

Loss Is 10th Out Of Last 12 Games

Indian Hurlers Serve 28 Homers In 13 Tilts; Bell Goes Against Bosox

BOSTON (AP) — The Cleveland Indians are mired in a terrible slump—10 losses in the last 12 games—caused by the combination of weak hitting and gopher-ball pitching. But General Manager Gabe Paul remains an optimist.

"I haven't given up on this club by any means," said Paul Thursday night as the Indians bowed 3-1 to the Washington Senators in Cleveland. "All the other clubs have their weaknesses, too."

What does the general manager intend to do about the decline of the third-place Tribe?

Looking Around For Help

"We're scratching around for some help," he said. "I don't see anyone in the farm system. If I did, he'd be with us now. That means we have to work through waivers and it isn't easy. We'll keep trying."

Paul, who labels the Indians a "streak" team, said he plans to build a more consistent one and is willing to give up front line players to get his kind of team, but that probably will have to come in off-season trading.

"I'm not blaming anyone for the slump," he said. "Everyone is doing his best."

Cleveland collected only six hits off starter John Gabler (3-2) and Dave Sisler as the Senators closed the Cleveland home stand with three victories of the four-game

set. Wynn Hawkins (5-7) was the loser, giving up a two-run homer to Billy Klaus in the first frame and a solo homer to Marty Keough in the fourth.

Cleveland pitchers have yielded 28 homers in the last 13 games, while Tribe hitters have hit only 8 in that same span.

Cleveland's only run against Washington came in the seventh inning and it was the result of a pair of Senator errors. Gene Woodling dropped Woodie Held's long drive to right for a three-base error and Held scored when Dale Long muffed a grounder to first by Francona, who was a pinch-hitter.

Would Like Bench Power

Dykes said he would like to bench first baseman Vic Power for a few days to give him a rest, but needs Power for his exceptional fielding. Power came up with his first hit in 17 trips Thursday night, a solid single to left in the ninth inning.

Gary Bell (4-8) will pitch for Cleveland in the opener here against either Bill Monbouquette (7-6) or Billy Muffett (2-7).

Bickerstaff Seeks to Cop 2nd 50-Laps

Jim Bickerstaff of Mineral Ridge will be hoping to duplicate his feat of last year with a victory in the 50-lap midseason late model championship at Canfield Speedway Saturday.

In last year's 50-lapper, Bickerstaff beat out Ron Cochran of Sharon, who was followed across the finish line by Scotty Rogers of Ravenna, Dick Lantz of Newton Falls and Gary Walters of Niles.

All of these drivers will be back again Saturday, but they will find much stiffer competition.

Bob James of Akron, victor in the 1959 midseason late model duel, will be on hand as will Bill Forney of Youngstown. Forney is currently the Canfield point-leader and will rate as the slight favorite.

Nook Walters of Niles is on a hot streak with two victories and a second in feature events and his 1958 Chevrolet will be in top condition for Saturday's long grind.

Also entered are Wimpy May of Auburn Corners, Don Sawyer of Girard, Gus Acozilli of Warren, Lantz, Bill Watson of Youngstown, Chuck Dorsey of Warren and a host of others.

There will be eight races on the program, which will also see the amateurs in action. The amateurs will compete in a 20-lap feature.

The amateur championship will be held on July 4. Some 40 of these newer pilots are expected for the all-amateur program.

Scheduled are eight events, which will be headed by the big 4-lap midseason championship grind.

Time trials both nights is 7 p.m. First race begins at 8:30.

Fighting Blue Preps for Race At Waterford Park

CHESTER, W. VA.: Fighting Blue, a handicap star at Waterford Park for the past several seasons, has arrived at the Ohio Valley course to prep for the July 4 running of the Independence Day Handicap, first major distance test of the meeting which gets underway on Monday.

Last Fall the five-year-old daughter of Blue Man came from behind to win the Kanawha Handicap from a good band, as in 1959 scored in both the Keystone State and the West Virginia Championships, the latter the richest race of the year at Waterford.

Many other shipments reached the track during the course of the week, some making the short haul from nearby Wheeling, others from as far away as Illinois. George Schatz came in with 14 from Cahokia, including the good winner, Suncoast, while Lou Madonna arrived with 19, led by Steel Flash, another Independence Day Handicap eligible.

The Greyhound Lines will run special busses direct to Waterford Park from Youngstown, and Pittsburgh, according to an announcement made today. The daily service will originate in the Greyhound terminal in both cities. The last Pittsburgh bus will leave at 2:30 p.m. daily, and at 12:15 p.m. on Saturdays, and the same schedule is to be maintained from Youngstown.

Tigers Move 2 Games In Front; Orioles Hot

By ED WILKS

Associated Press Sports Writer

The Baltimore Orioles won their fifth in a row by beating Kansas City 6-2 behind the two-hit pitching of Dick Hall Thursday night. It was the eighth victory in nine games for the fourth place Birds, who open a three-game set against the American League leading Detroit Tigers tonight.

Chisox Lose 2nd In Row

Detroit handed the Chicago White Sox a second straight loss, 5-2, for a two-game bulge over the idle New York Yankees. Third place Cleveland dropped six games behind with a 3-1 loss to Washington, the Indians' 10th defeat in 12 games. Boston beat Minnesota 9-5.

The Orioles came from behind against Lew Krausse (1-2), the \$125,000 right-hander who gave up eight hits and five earned runs in 5 1-3 innings. A single by Jim Gentile and an error tied it 2-2 in the fifth inning, and Baltimore then broke it up with a four-run sixth triggered by Russ Snyder's two-run triple.

Lary Wins 11th

Frank Lary won his 11th for the Tigers, out-dueling Cal McLish (4-7) in 93-degree heat at Detroit. A two-run triple by rookie Dick McAuliffe, off reliever Turk Lown, broke a 2-2 tie when Detroit scored three in the seventh.

Billy Bruton, who hit a two-run homer in the third, brought in the final run with a sacrifice fly. Floyd Robinson homered for the Sox.

No. 1 Weapon Is Young Pitching Staff

Long Ball, Balance, Trades Bolster Redleg Pennant Hopes

By JOE MOOSHIL

Associated Press Sports Writer

CINCINNATI (AP) — Can the Cincinnati Reds win their first National League pennant in 21 years this season?

"I don't make predictions," says Manager Fred Hutchinson, "but there's no reason why we can't. Certainly we're capable."

Overcoming a bad start during which they suffered an eight-game losing streak, the Reds have picked up steam and crashed into serious contention.

Pitchers No. 1 Weapon

There No. 1 weapon is a young, strong and talented pitching staff. In the bullpen are Bill Henry and Jim Brosnan, veterans who turn their talents into saving games for such young pitchers as Joey Jay,

Ken Hunt, Jay Hook, Jim O'Toole, Jim Maloney and Howie Nunn—all 25 or younger. Bob Purkey, soon to become 32, is the anchor starter.

The Reds don't have the great defensive team but it is adequate. The acquisition of Don Blasingame at second base has tightened the infield; he teams with shortstop Eddie Kasko to give the Reds a steady doubleplay combination.

Powerwise this team doesn't yield to any. Kasko and Blasingame are pesky hitters who get on base. Outfielders Frank Robinson and Vada Pinson, along with first baseman Gordy Coleman and third baseman Gene Freese, provide plenty of long ball power.

Robinson, slugging king of the majors last year, is up among the league leaders in hits, homers and runs-batted-in.

His roommate Pinson, benched early this season after a hitting slump, came out of it with barrage of singles and doubles that pulled him ahead up among the league's 300-plus belters.

The Reds are not set in their third outfield spot but Hutchinson, frankly, is pleased. He has been alternating Gus Bell and Wally Post who together have knocked in plenty of runs.

Then there's Jerry Lynch, called by Hutchinson "the best pinch hitter I've ever seen."

Reds Well-Balanced

The Reds are as balanced as a team can get. In fact, they could be leading the National League by the All-Star break and still not have a starter on the NL team. Pinson would be their best bet with Robinson having a good chance. But Pinson plays center field and so does San Francisco.

Motorcycle Club Plans Field Meet on Sunday

The Salem Motorcycle Club will sponsor a field meet Sunday at the Ernie Cozza farm, three miles south of here on Rt. 45. Events will get underway at 12:30 p.m. The meet is sanctioned by the AMA and all AMA members are invited to attend. Events for men and women are planned with prizes for each event to be awarded. A high point trophy will be presented to the winner of the day.

co's Willie Mays. Neither is the team tailored only for the home park. The Reds have played over .600 ball both at home and on the road.

Because Crosley Field is known as a hitters' park, the Cincinnati pitching staff should receive all the more credit for leading the team into contention.

"We're starting to make believers out of a lot of people," chuckled Hutchinson. "Remember, in 1959, everyone said the White Sox couldn't win. And last year nobody believed Pittsburgh would win until it was evident nobody could beat them out. Maybe it's our turn."

Hutchinson's team is aggressive and hungry. Not one of them has appeared in a World Series game and only Jay, when with Milwaukee, has been on a pennant winner.

CIO 2463 copped its sixth straight win against one loss as it downed the Famous Market 5-1 in Class E which was one of five Hot Stove League games played Thursday.

In other games played the Farmers Bank edged Sekely's, 11-10 and Electric Furnace won by forfeit over Eljer in Class F action; National Cleaners topped the Italian Club, 10-9 in Class G; unbeaten Ailes Insurance defeated Stark's Colonial, 11-5 and Hobbycraft won its second in a row with a 7-6 win over the Dairy Isle in Class H encounters.

Class E

CIO 2463 grabbed a 3-1 lead in the third inning and coasted into its victory.

Pacing the CIO attack, which was helped by six Famous Market errors, was Dick Owens with two singles and a double in four trips to the plate. Owens also received credit for the victory as he fanned 11 batters and walked only one.

George Begalla hammered out a triple for the losers and was helped in the hitting department by Gene Metzgar with a double.

Sekely's tied the game at 4-4 in the top of the third after the Farmers Bank pushed four tallies across in the first inning. The losers took the lead 8-7 in the fourth but fell behind in the last of the fourth as the Bank scored three times to take a 10-8 margin.

The game was tied for the last time as Sekely's managed to push two runs across in the sixth on three singles by R. Elliott, Chuck Joseph and B. Summers. The Bank racked up the winning run in the last of the seventh on singles by R. Whitehill and J. Roberts and a walk.

Pacing the Bank attack was Whitehill with three hits in four official trips to the plate. Roberts, D. Bruderly, C. Christofaris and B. Marks lashed two hits apiece for the winners.

Elliott, Joseph and D. Kilman belted two safeties each for Sekely's.

Electric Furnace, leading 7-0 in the third inning, won on a forfeit when Eljer manager Harry

Class G

Second place Italian Club went down to its second setback in seven starts and dropped a full game behind the league-leading Firemen.

The losers punched out an 8-3 lead in the fourth frame but a three-run burst in the fifth tied the game for National Cleaners. Ralph Gabriel with a homer and George Christofaris with a double powered the Cleaners drive to tie the tilt.

A run in the sixth and another in the seventh captured the win for National Cleaners.

Christofaris with a triple and a double led the way for the winners. He was followed by Gabriel with a single to go along with his homer and Rick Liber with a double and a single.

Scott Thayer was the big gun in a losing cause for the Italian Club as he smashed out for hits in five trips to the plate. Bill Smith and Alan Stiffler accounted for two hits apiece.

Reds Drop Third Straight to Cubs 15-8; Pirates Win

Mays' Bat Pushes Giants Into 2nd

By The Associated Press
Willie Mays' hot bat carried San Francisco in a two-night doubleheader sweep at Philadelphia Thursday night as the Giants returned to second place in the National League race by winning 8-7, in 10 innings, and 4-1.

Willie hit three homers in the opener, putting it away with the 299th of his career, and added a triple and a double in the nightcap.

Bucs Top Dodgers 4-2

That put the Giants in second place by .002 percentage points over the Los Angeles Dodgers, who lost 4-2 at Pittsburgh. It also put the Giants within 2 1/2 games of first place Cincinnati, after the Reds dropped their third in a row, 15-8, to the Chicago Cubs in the only other NL game scheduled.

Mays upped his batting average 13 points to .331 in the sweep and drove in five runs with his three homers in the opener. His first two, both two-run shots, were off

reliever Dallas Green and gave the Giants a 4-4 tie after three innings. He won it with his 20th home run of the season, off Frank Sullivan (3-8).

In the second game, Mays tripled home the Giants' first run as they scored three in the fourth inning off loser Art Mahaffey (7-8). Billy Loes (5-5), knocked out as a reliever in the opener, took the nightcap with a five-hitter.

In the first game, southpaw Ken Lehman started for the Phils, gave up a single and a walk—and left. Billy O'Dell started for the Giants, faced one man (who singled)—and gave way to Sam Jones in a four-run first. Juan Marichal (6-4), working in relief for the first time, was the winner.

Cubs Win 3 of 4 In Series

The seventh place Cubs, who lost only the opener of the four-game series, kissed the Reds goodbye with 17 hits, four of them homers, and beat Jim Maloney (4-4). Don Cardwell (7-5) was the winner. Cardwell slugged one of the Cubs' homers along with Billy Williams, Al Heist and George Altman—who now leads the NL with a .352 average.

Earl Francis (1-2) and reliever Elroy Face checked the Dodgers on three hits while the Pirates, blanked on four hits for seven innings, came from behind and beat Sandy Koufax (10-4) with four runs in the eighth.

All three Dodger hits were off Francis, who struck out 10 in his eighth inning and gave up both runs on three walks and a single by Tommy Davis in the first inning.

Old Dutch Keeps Lead; IM Falls From 2nd In Class AA

League-leading Old Dutch hammered out 15 hits as it rolled to its seventh win against only one loss in defeating Herron Transfer, 11-3 to remain one and a half games on top in Class AA in one of three games played at Kelley Park Thursday.

In other encounters Stepanic's Tavern pulled into second place with a 1-0 victory over Industrial Mining and Shaffer Ford blanked Deming's, 3-0 on a one-hitter hurled by K. Brudery.

Old Dutch tallied two runs in the first inning and added four in the second, one in the third and fourth and three in the sixth. Herron's managed to rack up three runs in the fifth on a

triple by Tucker, doubles by Wingard and Mercer and a single by Barnes.

LEADING THE HITTING department for Old Dutch were Jerry Weisnecker and Henry Miller with three hits apiece. Jim and Jerry Weisnecker each cracked out a double for the winners. Old Dutch blazed out 13 singles in coping its win.

Weingart paced the Herron attack as he smashed a double and a single in two official trips to the plate.

Stepanic's pushed Industrial Mining out of second place as Andric connected for a double in the second frame and was brought home with the only run

of the game on a triple by Drakulich.

The winners now sport a 6-3 record and trail Old Dutch by one and a half games while third place Industrial Mining is two games off the pace with a 5-3 mark.

Stepanic's managed only four hits off James, the IM hurler. Besides the safeties by Andric and Drakulich, Roach pounded out a double and pitcher Jim Stonemetz collected a single.

Shaffer's grabbed a 1-0 lead in the first frame without getting a

hit. The winners scored on a sacrifice and an error. Hendrick's socked a homerun in the fourth inning to make the count 2-0 in favor of Shaffer Ford.

The winners added their final score in the sixth frame on singles by Bill Ferguson and Roller and a double by James.

James paced the Shaffer attack

as he collected two safeties in three trips to the plate.

10-Round Fight Set for Saturday

Johnson Favored 9-5 Over Machen In Non-Title Bout

By MURRAY ROSE

Associated Press Sports Writer
ATLANTIC CITY, N.J. (AP)—Heavyweight contender Eddie Machen gets a chance to redeem himself Saturday night when he takes on NBA light heavyweight champion Harold Johnson in a television non-title 10-rounder at Convention Hall.

Although he is the No. 2 contender and has lost only three pro fights, the 28-year-old boxer-puncher from Portland, Ore., is a 9-5 underdog to the co-holder of the 175-pound crown.

Johnson Has Won 14 in Row
One reason is Johnson's winning streak of 14 over a 4 1/2-year span. Another is Machen's failure to win his key fights.

The trim 6-footer had an unbeaten record of 24 victories and one draw when he was blitzed in one round by Ingemar Johansson in Sweden, Sept. 14, 1958. This was the springboard victory that led the Swede to the world heavyweight title.

In his two major fights last year, Machen was outpointed by his two rivals for high-ranking honors, Zora Folley and Sonny Liston.

Since the loss to Liston, now the No. 1 contender, Machen has won three straight. He outpointed Wayne Bethea last year and this year knocked out Garvin Sawyer in five and outpointed Mike DeJohn in ten.

This made his record 37-3-1 including 21 knockouts.

Wants Another Shot at Archie Johnson, 32, has two ambitions. One is a return bout with Archie Moore, who still is recognized as light heavyweight champion in New York, Massachusetts and Europe. The other is a shot at Patterson. At the moment he's a

long way from both.
A victory over Machen could further his heavyweight ambitions.

The Philadelphia finally obtained a title, when he gained NBA recognition by flattening Jesse Bowdry in the ninth round last February. The NBA had designated this fight to determine the successor to Moore. It had stripped old Archie of his crown for failure to defend within reasonable time.

Johnson has knocked out five of his last six opponents. His record is 65-8 including 31 knockouts. He has been stopped four times. The bout will be telecast nationally by ABC-TV.

Fight Results

San Francisco — Alejandro Lavarante, 203 1/2, Argentina, outpointed Monroe Ratliff, 189, Los Angeles, 10.

Los Angeles — Al Grant, 139, New Orleans, outpointed Andres Garcia, 137, Los Angeles, 10.

IBOP Assets \$7 Million, Union Reports

The International Brotherhood of Operative Potters listed net assets of \$7,560,694 in its annual financial report published today in the official union newspaper, The Potters Herald.

The total is down \$134,899 from net assets of \$7,695,593 shown in the financial report issued in June 1960. The current report lists figures as of last April 30.

The report was certified by Charles F. Jordan, international secretary-treasurer, along with a statement that the figures were issued in compliance with the Taft-Hartley Law.

It includes a detailed accounting of all the cash deposits and investments of the general fund and the benefits fund. It showed the general fund has total investments purchased at a cost of \$5,743,045 which have a market value of \$7,408,965. The investments are all in bonds and common and preferred stocks in dozens of concerns, principally utilities.

The union reported general fund receipts of \$2,608,331 in the period May 1, 1960, to April 30, 1961, and cash disbursements of \$2,402,475 in the same fund for the same period.

The statement of receipts included a balance of \$247,595 on deposit at the beginning of the period. Other receipts were: \$478,801 from members' one per cent defense dues; \$261,502 in profit from sale of securities; \$239,567 in dividends; \$40,440 from members' per capita tax; \$37,127 in interest from securities; \$9,129 in interest from savings accounts; \$1,234,627 from securities sold at cost and \$59,538 in other receipts.

In the benefits fund, the IBOP listed total cash receipts of \$394,309 and total cash disbursements of \$283,732.

The union paid out \$159,121 in strike benefits in the year ended last April 30, compared with \$356,642 in the preceding year, the report showed.

Tavern Owner Gets 21-Day Suspension

Conviction in the Eastern District County Court at East Palestine on a charge of the sale of intoxicating liquor to minors has resulted in a 21-day liquor permit suspension for Bettie Williams, operator of the Bar X, RD 3, Lisbon.

The suspension, effective July 10, was decided by the Ohio Liquor Control board at a hearing in Columbus June 6 and announced today.

Another charge of allowing gambling or wagering on the permit premises was dismissed.

Rev. Paul Bailey On Trip to North Wales

DAMASCUS — Rev. and Mrs. Paul Bailey of Orrville, accompanied by their daughter, Bonnie, 14, and son, John, 12, left from Cleveland airport Thursday for North Wales where Rev. Bailey will be an exchange pupil for six weeks. They plan to visit other countries in Europe before returning home.

Rev. Bailey is the son of Rev. and Mrs. Charles F. Bailey of Damascus.

MAN KILLED BY SMOKE

CLEVELAND (AP) — Charles McCullough, 53-year-old truck driver, went to the washroom at the rear of a downtown truck garage Thursday and became trapped there when fire and dense smoke enveloped the garage. Firemen put out the fire quickly, but didn't reach him for almost a half hour. Then they found McCullough's body. He had been asphyxiated by the acrid smoke.

OLD COUNTRY STORE

Columbiana-Lisbon Road

The racing club has decided to hold their races Sunday evenings instead of in the afternoons because of the heat. They are installing more lights around the track. If you care to watch these races, there is no charge — Lots of parking behind the Country Store!

LITTLE LIZ

There are lots of people who never repeat gossip—they're the ones who start it.

Lisbon Social

Miss Sharlene Bye was the honored guest at a bridal shower Wednesday evening given by Mrs. Robert Dale Ashton and Miss Sandra Beers at the home of Mrs. Ashton's mother, Mrs. Charles Lederle of W. Chestnut St.

Gifts surrounded a floral arrangement on the gift table with a bower of streamers and bows for a backing to complete the setting.

Mrs. Donald Warren of Columbiana and Mrs. Carl Steitz won game prizes.

Lunch served by the hostesses featured a three-tier wedding cake topped with a tiny bride and bridegroom.

Special guests were Mrs. Perlee Bye, mother of the bride-elect, and Mrs. G. C. Rauch, mother of the prospective bridegroom.

Robert Rauch and Miss Bye will be united in marriage July 7 at the First Presbyterian Church here.

TWENTY-ONE MEMBERS were in attendance when the Eagles Auxiliary met Tuesday night with Mrs. Grace Reisinger, president, presiding.

She reported that the organization received a citation from the Ohio State Auxiliary membership department for net membership gains last year.

Auxiliary members will cook and serve the Aerie and guests during the district meeting July 9.

Reports on the state convention were given by the secretary, Mrs. Virginia Hedl, and Mrs. Reisinger, and tentative plans were made for a July 18 party to honor members who prepared and served the Kiwanis Club luncheons.

Members who helped the Aerie with its picnic lunch were thanked by Gary Henthorne, committee chairman for the Aerie.

The social hour which followed was in charge of Mrs. Mary Hoy and Mrs. Lydia Bennett. Prizes at 500 went to Mrs. Gladys Sullivan and Mrs. Hoy. Social bingo prizes were won by Mrs. Myrtle Rupp and Mrs. Margaret Brunner.

Lunch was served by Mrs. Besie Smith and Mrs. Doris Cusick.

The next regular meeting will be Tuesday, July 11, at 8 p.m., with officers and chairmen meeting at 7:30. Mrs. Hazel Lee and Mrs. Caroline Dickens will serve as the lunch committee for July.

MRS. HERSHAL BARNES, noble grand, presided over the meeting of the Rebekah Lodge Wednesday night in the Pythian Temple.

Entertainment following the work was in charge of Mrs. Dallas Clapsaddle and Mrs. Richard Andrus.

This is the last meeting for the group until it reconvenes in September.

Mr. and Mrs. Bobby Holloway of Waynesburg, Pa., have returned to their home after visiting the past several days with Rev. and Mrs. Glen Logston at their home on E. Chestnut St.

Mr. and Mrs. John Noble of E. Lincoln Way were among those given recognition Wednesday evening when the past matrons and past patrons of Salem chapter, Eastern Stars, gave a dinner party honoring the wedding anniversaries of members.

Honored were Mr. and Mrs. Curtis Phillips of Salem, married 55 years June 27; Mr. and Mrs. Noble, 52 years, June 30, and Mr. and Mrs. Edward Jenkins of Winona, 50 years June 11.

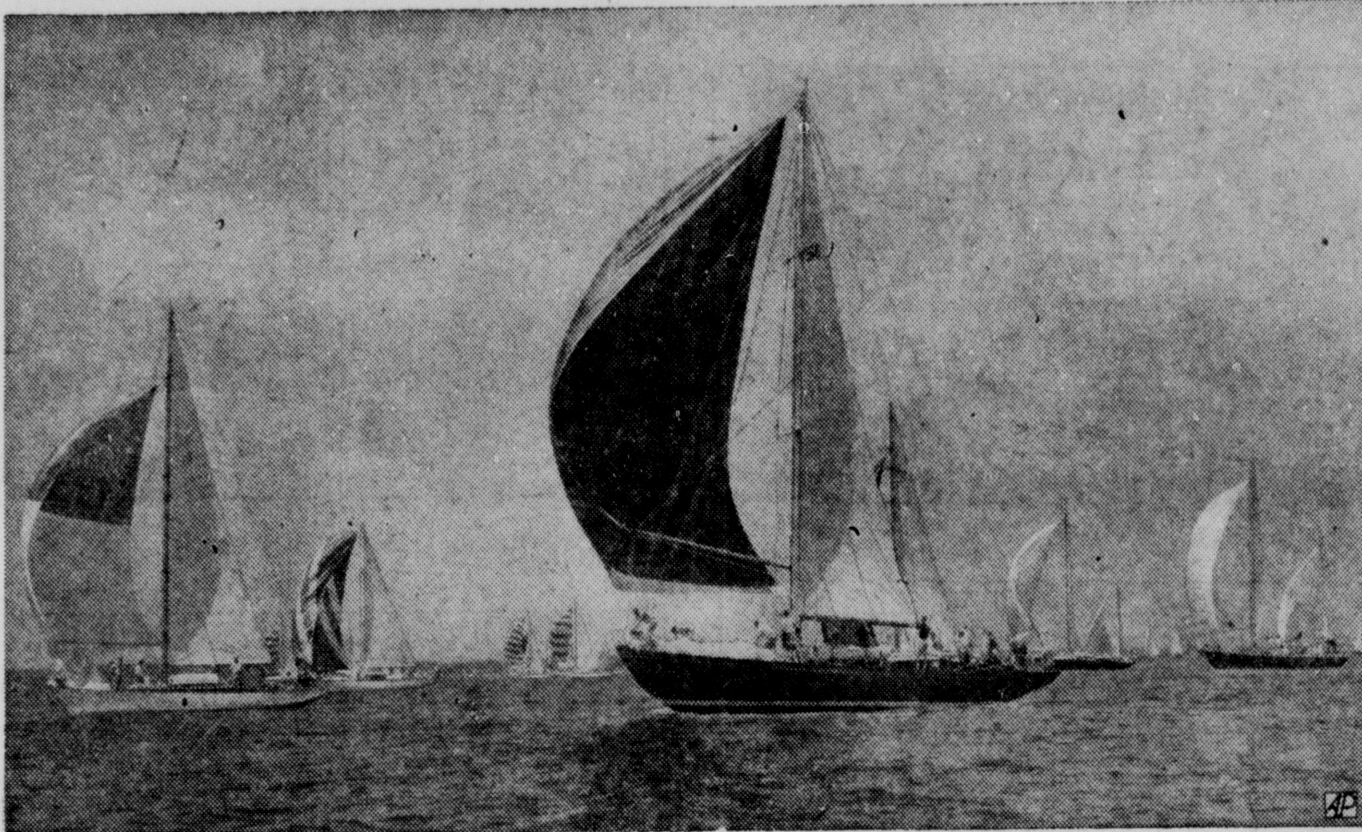

Husband of past matrons, and past patron's wives also attended the party.

A short program of music followed dinner.

Later the men enjoyed card games and the women had a social time of visiting.

THE LISBON SOCIAL CLUB completed its house-to-house canvass Tuesday and Wednesday nights in behalf of the local leukemia victims, Cheryl Bosel and Virginia Amodio. The group collected \$183.97.

Virginia became worse again this week and was taken to the Columbus Clinic but is expected to return the first of next week. The club is continuing to collect

OFF ON OCEAN SAIL — Fleet of racing yachts moves down Chesapeake Bay in the 468-mile Annapolis-to-Newport race. Reindeer, owned by E. Newbold Smith of Philadelphia, won top prize with corrected time off 59 hours, 20 minutes and 21 seconds.

N. Georgetown Legion Post Sets Mortgage Burning

NORTH GEORGETOWN — George D. Worth American Legion Post will hold a banquet Saturday night at 6:30, with the burning of the mortgage and a program afterward.

Guests are expected to total around 260, including many county and district officers.

The charter for the post was issued in 1947, and the post home was purchased in 1948. The home took its name from the three surrounding communities of Home worth, North Georgetown and Damascus. There are 193 members at the present time.

State Commander Alec J. Blair will be the principal speaker. Master of ceremonies will be Clinton Heacock. John Pickens will give a history of the post. Commander Olan Sanor will be in charge and introduce the guests.

Robert Hahn is the chairman of the committee which arranged the affair. State, district and county representatives of the auxiliary will attend. Mrs. Olan Sanor is president of the auxiliary.

The current post officers are: First vice commander, William Hoff; second vice commander, Dean Mercer; adjutant, Robert Summer; finance chairman, Roy Williams; and chaplain, Willis Greenstein.

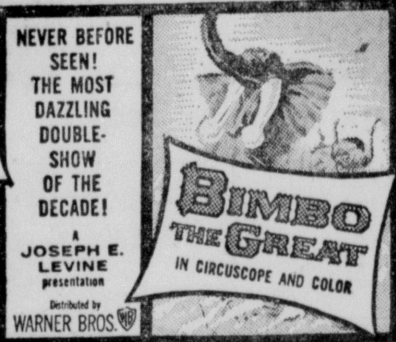

The post has contributed to many local projects. It has sent two boys to Buckeye Boys State, and given aid to the local fire department and awards to outstanding school students.
